Brand New Book ***** Print on Demand *****.Excerpt from The First Known Use of Whitney as a Surname: Its Probable Signification, and Other Data As the language used in some portions of the following pages may not be understood hereafter, it is well to state that Mr. Stephen Whitney Phoenix, of New York, is about to print a genealogical account of the descendants of Henry Whitney, of Norwalk, Connecticut, his lineal maternal ancestor, and that, during the last spring, he expressed a wish to include in his volume some part of my scattered notes and data, collected many years ago. As the manuscript was in various handwritings, and in inconvenient shape for one not familiar with it to arrange for the press, these selections have been printed in quarto, as uniform with other memoranda heretofore printed, and as enabling Mr. Phoenix to readily make such extracts as he may think desirable.
