Brand New Book ***** Print on Demand *****.How to Make Good Writing Great Are you overlooking the essential writing skill that turns good writing into great writing? Do you want to know the real secret of great writers? It s a secret hidden in plain sight. Great writers know that great writing depends on choosing the right words. Choosing the Right Words Why does choosing the right words matter so much? Writing is nothing more than choosing words and arranging them into a readable form. Great writing happens when your word choices communicate in a compelling way exactly what you mean to say to your readers and your readers understand exactly what you mean. Choosing the right words sounds simple enough. But choosing the right words is not always easy. Do you ever feel frustrated that you can t find exactly the right word to say exactly what you mean? Do you feel upset when readers misunderstand what you are intend to say? Do you feel that you need to expand your vocabulary to impress readers with your knowledge of impressive words? Do you read the words of great writers and feel jealous that you can t write as well? Do you wonder what they know that you don t know? Your Writing Can t Be Better Than Your Word Choices The secret hidden in plain sight is that your skill as a writer depends on the quality of your relations with the words you use. The simple fact is that your writing can t be any better than your word choices. The better you know your words and the better care you take of them, the better writer you will become. Topics in...
