Hearing the words, screamed, moaned, whimpered, or whispered just flat out does it for most men. Women like to hear the words and imagine what those words or phrases will mean to them, how their partner will react, or how something will feel, even seconds or milliseconds beforehand, giving their brains time to process the possibilities, thus heightening the sensations. In this guide you will learn 131 tried-and-tested, proven-to-work phrases you can use for getting your partner in the mood, during foreplay, during after love making. Both for-man for-woman phrases are included. You will learn many ways to get started talking dirty and how to build it up gradually so you are comfortable sound confident when you say them. Using correctly they will make your lover addicted to your voice drive him/her wild in bed.
