Than this book is a great story that will keep you tuned in. Not only my friends and family helped me put this project together, but the greatest musicians of our time helped paint a much better image of this story through there music to help me create my first book. You will laugh, you will cry. But if anything, I hope you view the world and yourself differently from others. We are all human. We all have a mind, as well as an opinion. What s right is right. But if your wrong, than your wrong. Life is beautiful. Live it and love it baby.
