

The Briefings: Balkans (Paperback)

By Glenn Myers

Authentic Media, United States, 2010. Paperback. Book Condition: New. 135 x 130 mm. Language: N/A. Brand New Book. The Balkans by Glenn Myers, briefly untangles the story of pioneering Christian faith in the countries and statelets in the Balkans region: Albania, Bosnia and Herzegovina, Serbia and Slovenia. All these experienced economic collapse and political upheaval after the fall of communism. The former Yugoslavia disintegrated through four wars in a single decade. Existing church denominations seemed to be part of the problem, while newer evangelical groups struggled to find a foothold. Yet thousands of people have found new life in Christ, with the strongest Christian movements among the poorest and most despised peoples.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
