

NASA Open Government Plan (Paperback)

By National Aeronautics and Space Administr

Createspace, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Whether NASA is using social networks to allow students to interact directly with astronauts or creating a Cloud Computing Platform to give unprecedented access to scientific data, NASA has embraced Open Government. Our founding legislation in 1958 instructed NASA to . . . provide for the widest practicable and appropriate dissemination of information. The principles of Open Government have been embedded in NASA operations for 50 plus years. This plan is our start in revisiting these concepts and creating a new level of openness and accountability in our policies, technology, and overall culture. The plan will evolve over time as we continue to see success in these areas and work to replicate it throughout the Agency. The NASA Open Government Plan is divided into two main sections: the Framework and Leadership section and 25 fact sheets. The Framework and Leadership section describes NASA's history of openness and outlines our framework for approaching Open Government. This framework is based on: a perspective of continuous learning; integration of policy, technology, and culture; and the rapidly changing external environment. We believe that...
