Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Excerpt: .In 1827 the Territory was evidently becoming settled, and something more than highway drainage was needed. In this year it was provided that in case the land was situated so as to be conveniently drained, and the parties could not agree as to how much each should dig, the fence viewers might set 1 Zink vs Board of Supervisors, 36 N. W. 73. 2 Volume 1, page 453. off to each his portion and assess damages for non-performance. The first drainage Act of the new State was passed in 1839.1 Any person who deemed it necessary to open a drain through other lands than his own, could have a jury summoned, ex parte, who should view the premises of the obstinate party; if, in the judgment of the jury, the damages would be more than the benefits to be derived from the drain, the party applying therefor paid the difference, and in any event, the costs of the proceedings. He could then enter his neighbors lands with his servants, teams, carriages, and other necessary implements, and proceed to dig the drain at his own expense. In 1847 an Act², supplemental to the preceding, was passed, authorizing the appointment of three County Commissioners to superintend the draining of such low lands and marshes as do injuriously affect the health of the inhabitants. This Act occupies only two and one-half pages and is but a crude attempt to force unwilling parties to ditch. The Act is historically...
