Little, Brown Book Group, United Kingdom, 2012. Paperback. Book Condition: New. 197 x 135 mm. Language: English . Brand New Book. Will the most powerful defense system in history be used to safeguard America-or to force universal domination? The U.S. has unleashed Thor s Hammer, a missile-launching satellite that can strike anywhere on the planet in seconds. But when President Joseph Gardner elects to employ the still-untested weapon against terrorists firing missiles at Indian cities, the Hammer misses its mark, killing thousands of Pakistani civilians. In retaliation, Pakistan and its neighbors grant China a strategic naval advantage over America through access to Middle Eastern ports. China responds swiftly and brutally, attacking and occupying Somalia, then setting up missile pads to target U.S. naval ships across vital sea-lanes. While in Earth s orbit, Chinese and Russian spacecraft surround an American space station with one clear message: back down or watch as your navy is crippled. With a president battling for his political life in D.C., retired Air Force Lieutenant General Patrick McLanahan and Kai Raydon, commander of the U.S. Space Defense Force, race to defuse the crisis-as every second brings the world closer to a full-scale war of superpowers on Earth .and miles above it. Praise for Dale Brown: Dale Brown is the best military adventure writer in the country - Clive Cussler Dan Brown is a superb storyteller - Washington Post Dale Brown is one of the best - Houston Chronicle When a former pilot turns his hand to thrillers you can take their authenticity for granted. His writing is exceptional and the dialogue, plots and characters are first-class.far too good to be missed - Sunday Mirror A master at mixing technology and action, Brown puts readers right into the middle of the Inferno - Larry Bond.
