ICED: FEVER SERIES BOOK 6

[DOWNLOAD](#)

Delacorte Press, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Moning returns to the heady world of her Fever series, and the results are addictive and consistently surprising. . . . The best elements of Moning's sensual, shadowy epic are still here, from the sensual and enigmatic Fae to the super-alpha heroes and the breathless pace of their escalating conflicts. At its heart is a heroine whose development is likely to become the stuff of legends as this unforgettable, haunting series continues to evolve." -- RT Book Reviews "This is one of my favorite 2012 reads . . . It's engaging, hilarious, amazing and Dani is going to be one heck of a woman." -- USA Today "A gripping story that combines excellent storytelling with believable characters that are rendered both superhuman and superbly human, with emotional fragility and psychological vulnerability in an unstable world fraught with danger . . . Fast-paced, with nonstop action set in a fascinating urban fantasy world of Dublin under siege, this is a smart, bold and textured success." Kirkus Reviews "Moning is a master storyteller. I don't know how she does it, but she begs me to get on my knees and pay worship to the woman who has brought me the best, most labyrinthine stories and characters I've ever had the privilege to get to know. She weaves brilliantly, unapologetically, and without exception, and she has threaded the needle into me and I've been pulled, over and over, into her tapestry, and I don't think I'm ever getting out. Iced is no exception." -- The Bawdy Book Blog (five-starred review) "Moning has taken a beloved series and made it better. . . . [She] has a way of bringing the reader into the story with her...
