The new Guardians Trilogy novel from the #1 New York Times bestselling author of Stars of Fortune. To celebrate the rise of their new queen, three goddesses of the moon created three stars, one of fire, one of ice, one of water. But then they fell from the sky, putting the fate of all worlds in danger. And now three women and three men join forces to pick up the pieces. Mermaid Annika is from the sea, and it is there she must return after her quest to find the stars. New to this world, her purity and beauty are nothing less than breathtaking, along with her graceful athleticism, as her five new friends discovered when they retrieved the fire star. Now, through space and time, traveler Sawyer King has brought the guardians to the island of Capri, where the water star is hidden. And as he watches Annika in her element, he finds himself drawn to her joyful spirit. But Sawyer knows that if he allows her into his heart, no compass could ever guide him back to solid ground. And in the darkness, their enemy broods. She lost one star to the guardians, but there is still time for blood to be spilled the mermaid s in the water and the traveler s on the land. For she has forged a dangerous new weapon. Something deadly and unpredictable. Something human.
