iPad in Education For Dummies (Paperback)

By Sam Gliksman

John Wiley Sons Inc, United States, 2014. Paperback. Book Condition: New. 2nd Revised edition. 232 x 188 mm. Language: English . Brand New Book. The easy way to effectively implement iPads in the classroom The iPad is a natural fit for education in the 21st century, and this hands-on guide shows you just how to implement it in your educational institution. iPad in Education For Dummies serves as a roadmap for the device s successful use as an education tool from both a personal and institutional perspective. It examines why the iPad is a perfect fit for contemporary educational needs, how to purchase and deploy them within an organization, and outlines best practices, tools, and apps for their educational use across all curricula and grade levels. A cross between a powerful computer, iPod, game console, and e-reader, the iPad is an ultraportable and ultra cool touch device from Apple. In 2013, the iPad was deployed in Chicago Public Schools, LA Unified School district, Oxnard School District in California, and Raleigh County Public Schools in West Virginia, to name a few. In this new edition of iPad in Education For Dummies, you ll find the latest coverage of interactive media and...
