THESE ANIMALS ARE KILLING ME: A YEAR OF RIDICULOUS INTERRUPTIONS COURTESY OF PESKY WILDLIFE QUIRKY PETS (HARDBACK)

BookBaby, United States, 2016. Hardback. Book Condition: New. 231 x 157 mm. Language: English . Brand New Book. Readers are invited to join a typical busy family for one year of hysterical and true-life interruptions. Their beloved pets create more havoc and chaos than deserved with harrowing trips to the veterinarian, injuries, and quirky personalities of their own. Add in the wildlife who regularly appear (pigs, skunks, muskrats, mice and occasional #147;two-legged? animal) and readers will be shaking their heads in incredulous disbelief, and snorting at the outcome. With two or more interconnected stories per month, the author recounts one ridiculous life disruption after another. The stories are presented as calendar dates as though the reader has stumbled upon a journal giving readers a voyeuristic view of someone else?s chaotic world. Beginning in September, readers are introduced to the characters: hyper-active, zany Katrina, her quieter, well-centered husband John and their three very different aged children. Independent Deanna is in college, deep thinker Michael is nervously entering middle school, and fearless Spencer is headed off to first grade. The difference in ages and stages creates a constantly changing dynamic. Add in klutzy but loveable dog Bear, conniving Fat Cat Chance, and a myriad of wildlife who saunter in and out of their acreage and you have These Animals Are Killing Me. Readers will turn to page one and plummet unceremoniously into the first day of school and all the stress such a day ensues. The century-old kitchen is a mess; instructions are being barked out, the dog is running excitedly from one end of the room t the next, the cat is winding his way through legs purposely trying to trip us, anxieties are relieved, lunches packed and the day memorialized with pictures. Despite careful preparation, the morning goes completely off...
