## Dialectic III: Dream of Building or the Reality of Dreaming

By The University of Utah School of Architecture

Oro Editions. Paperback. Book Condition: new. BRAND NEW, Dialectic III: Dream of Building or the Reality of Dreaming, The University of Utah School of Architecture, The design-build studio and non-profit designers work on the margins. They are realized in geographies and neighborhoods off the cultural grid. They take students away from the grounding certainties of home and school. They transport participants to a world incompatible with the accepted norms of their educational institutions. They confront them with the limitations of high-tech spectacles born of tourist economy for the vast majority of the world that lie at the heart of disciplinary imagination. They force participants to investigate the ordinary, the understated, and the invisible, born of necessity. Most of these programs invent projects paid for with soft funds and produce clients. They do so in communities too poor to be of interest to the real estate industry and too voiceless to be heard by their councilors. They teach design's reliance on skilled labor. Contributing essays consider if this marginal practice has the strength to hold up a mirror to the center. They evaluate both its powerful and toothless practices, and reflect on the value of this enterprise. Photo essays provide timelines...
