BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. The universe is shrinking as humans spread throughout the stars. But expansion means contact with new worlds and species - and with them, new challenges. As a young boy, Matthew Wallace experienced this as the child of missionaries on the planet Altair, living a rugged existence on the undeveloped world. Undeveloped, but not uninhabited. For Altair was home to a proud race of warriors the Ananke. The same warriors Matthew watched as they murdered his parents. Now he is the Marshal of the place he swore he d never return to, and his hatred for the Ananke is only tempered by his desperation to treat his wife s terrible illness. For located on Altair is a clinic performing medical miracles, curing men and women of terminal diseases that even the most advanced technologies can t touch. Yet nothing is without its price, and as Matthew learns more about the world where he s now charged with keeping the peace, he slowly realizes he s going to have to decide what is more important: the life of his wife or the lives of an entire species. A sci-fi thriller that calls to mind the grand masters of the genre, *The Outer Rims* explores the morality of doing whatever is necessary and the question of whether humanity and sentience are one and the same.
