CURSIVE JOKES COPYWORK 1: WRITE AND LAUGH! (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.My children love jokes. I bet yours do to. What better way to improve handwriting than by anticipating a daily dose of laughter! Over 100 pages of jokes to trace then copy, with extra pages for your children to write their favorite jokes on. I have my children practice their handwriting -a page a day. I try to keep it simple. They read the joke, trace the words, then copy the joke in their best handwriting. To make sure the children can copy all of the words extra space was added to the inside margins I also encourage them to memorize their favorite jokes and practice telling them to each other and to my husband and I. I hope you and your children enjoy this book (and the others I ve created-or that you request me to create), as much as we do.
