- Print on Demand Neuware - Essay from the year 2000 in the  
subject Communications - Language, grade: 4, Cardiff  
University (Centre for Language and Communication), course:  
Sociolinguistics, language: English, comment: Making  
reference to relevant literature, discuss the notions of network  
and network relations as used in sociolinguistic studies.  
Choosing one model of representing social and linguistic  
networks, construct a representation of different varieties of  
language you use (as a reference point, choose a typical  
Monday during semester time). Comment on your network,  
taking into consideration plexity, density and accommodation,  
and select two linguistic aspects of your varieties for discussion  
(e.g. lexical choice, or accent, or grammar)., abstract: Every  
human being participates in society and has relations to other  
human beings. What makes us human is the ability to speak. In  
order to communicate, people have to find a shared language.  
There is the fiction of Daniel Defoe's Robinson Crusoe, but this  
is an exception. For to survive and to earn our daily bread we  
have to express our will and organise ourselves. In modern  
linguistics the expression network is very...
