The people I interviewed told me their authentic experiences of temporary death. Maybe they were not dead enough to be buried in the ground, but their hearts and breathing had stopped, and subsequently been restarted, bringing them back to life. Their stories were uplifting and amazing, often quite similar in the details of peace and light at the end of a long tunnel, promising a beautiful afterlife. I was in a hospital bed when I died. I floated out of my body. I could look down and see my body surrounded by medical people trying to save me. I could see the bald spots on the heads of two doctors. I could hear what they were saying. I seemed to float out of the hospital when I saw them applying paddles to my chest, and suddenly I snapped back to my body. I was breathing again. I was alive again. Life After Death Redux is an inspirational book about the very personal experiences of people who experienced the Other Side of Death...
