And in the love tree it has much fruit, and under the love tree is much shade and grass. And the birds of the air dwell in its branches, and everyone including man and beasts are fed from its bounty. The love tree is a supernatural tree that's stronger and taller than all the other trees. And the love tree commands the wind, the rain, the lightning, the thunder, and hail. And all the elements of the earth are subject to the commands of the love tree. In this story example the love tree shares supernatural knowledge and wisdom, and visions of the future with devout men of God. And the love tree interprets dreams and causes kings to be grass eaters with the beasts of the field. And the love tree illustrates through a contest that vegetable eaters are fairer and more fit than meat eaters. The love tree is the hand writing on the wall, and the fourth person in the fiery furnace, and the One that closes the mouth of the lions in the den with Daniel. And the love tree wants us to know that treasures in Heaven are more important than treasures on earth. The love tree tells us where the Ark of the Covenant is at. And when the love tree speaks, its voice is like the sound of many rushing waters. And under the love tree men, women, and children are baptized by submerging under water, and then given a chance to be filled with the Holy Ghost. And this book tells us all about the fruits and works of the love tree....
