Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

Austin Macauley Publishers, United Kingdom, 2016. Hardback. Book Condition: New. 198 x 129 mm. Language: N/A. Brand New Book. Nine years ago Jane was told by a very kind, no nonsense guy; who happened to be a very gifted medium she would write a book by channelling through her spiritual guides and guardian angels. She laughed at this comment and explained to him that he really had got this one wrong and assured him of her lack of written ability. Nine years later Jane has written this book through the guidance of her spiritual guides and guardian angel. This book consists of writings for all to enjoy, perhaps help through a difficult time or just invoke thoughts of openness. Words are powerful tools if used in love and light to benefit all. Jane feels truly blessed and honoured to be used as a channel for such words of comfort, healing and wisdom to be shared among those of you who need or feel intrigued to read this book.
