Brand New Book ***** Print on Demand *****.When she finally surrenders her heart, will it be too late? Susan Quinn, a social worker turned surrogate mom to foster teens, fights to save the group home she's worked hard to build. But now, she faces a dwindling staff, foreclosure, and old heartaches that won't stay buried. Her only hope lies with the last person she'd ever turn to—a brawny handyman with a guitar, a questionable past, and a God he keeps calling Father. Like a Love Song is a romantic drama about a fiercely loyal woman and some castaway kids who need the courage to believe in a love that never fails. Eide writes a touching story about two unlikely heroes who sacrifice themselves to love those who are not loved by others. This emotional book touches on very tender subjects in a tactful, graceful way that allows readers to understand what is happening without being overwhelmed by it. Eide is a phenomenal writer who once again displays her wisdom in the way she tells the story. -ROMANTIC TIMES, 4 1/2 Stars,...

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
