AS Level and A Level Chemistry

By Brian Ratcliff, Helen Eccles, John Raffan, John Nicholson & David Johnson

Cambridge University Press, 2004. Softcover. Book Condition: New. First edition. CIE Chemistry: AS Level and A Level meets the requirements of the Cambridge International Examinations (CIE) syllabuses for AS Level and A Level Chemistry, and is endorsed by CIE. In one volume, this textbook covers the core material of the CIE A Level chemistry syllabus. AS material is clearly separated from A Level material making the book suitable for one year AS courses and for two year A Level courses. Chapter learning objectives are directly related to the CIE syllabus. Questions throughout the text reinforce students' understanding and the exam-style end-of-chapter exercises offer opportunities for independent study. The accessible language means that the material is suitable for all students, including those for whom English is not their first language. Features include chapter introductions and summaries and self assessment questions and answers to exam-style questions. Contents 1 Atomic structure 2 Atoms, molecules and stoichiometry 3 Chemical bonding 4 States of matter 5 Chemical energetics 6 Electrochemistry 7 Equilibria 8 Reaction kinetics 9 Chemical Periodicity 10 Group II 11 Group IV 12 Group VII 13 Transition elements 14 Nitrogen and sulphur 15 Introductory organic chemistry 16 Hydrocarbons 17 Halogen derivatives 18 Hydroxy...

Reviews

Merely no words to spell out. It is amongst the most awesome publication i have read. Your life span will likely be transform as soon as you full reading this book.

-- **Marvin Okuneva**

Completely among the best publication I have got at any time go through. I have got go through and so i am confident that i will likely to read again once more down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.
