Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Not illustrated. 1829 Excerpt: .their constitutions--I mean that of eating biscuits after they have dined, 4 i t Oh certainly, said the cornet, who knew nothing of indigestion, or my other disease, except by name; for, except in case of a sea voyage, and the accompanying sea-sickness with which he was always visited on such occasions, I never experienced any deficiency in either appetite or digestion, and was always prepared to do ample justice to whatever was set before him at the ordinary period of refreshment. But, probably, 31 r. Butler, your stomach is not naturally deficient in tone! -, - Oh dear no, said the cornet, and looked significantly at the weak tea, as if appealing to a proof of his stomachic vigour. I fear you don't finish your tea, said the lady, observing the point to which his eyes were directed; gentlemen, I know, generally like it strong, but the major and myself think that strong tea has a serious effect upon our nerves and consequently I rarely put into the teapot more than two spoonfuls, or perhaps two spoonfuls and a half when the half pound is nearly out--the bottom Dard, you know, not containing so much of the absolute leaf of the plant, and being therefore less powerful. The cornet expressed his perfect comprehension of the motives which induced Mrs. Costiff to deal so sparingly with the tea store; and fearing that a more lengthened investigation of the nervous system might lead to the...
