Surface Chemistry of Biological Systems

By Blank, M.

Book Condition: New. Publisher/Verlag: Springer, Berlin | Proceedings of the American Chemical Society Symposium on Surface Chemistry of Biological Systems held in New York City September 11-12, 1969 | This volume of Advances in Experimental Medicine and Biology is based on an American Chemical Society Symposium entitled: "Surface Chemistry of Biological Systems", which took place in New York on September 11-12, 1969. Thanks to the special photo offset process used by the publishers, the papers are appearing very soon after their presentation, and at a lower cost than usual. These advantages are appreciated by the scientific community. As the title of the volume indicates we have attempted to bring the scientific approach and techniques of surface chemistry to the complex problems of biological systems. Two previous symposia in this field have been published, one in the Journal of Colloid and Interface Science (24:1-127, 1967) and the other in the Journal of General Physiology (52:187S-252S, 1968). The previous publication outlets, a chemical and a biological journal, help to emphasize the interdisciplinary nature of the material and also the appropriateness of the choice of Advances in Experimental Medicine and Biology for the current symposium. | The Effect of the Modification of...

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It has been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.
